STRAND

SUMMER INTERNSHIPS AT STRAND

Each year, Strand offers a small number of summer internships to university students who want to work in real estate development. Interns work on real projects next to our team and get hands-on experience in a fast-growing business.

INTERNSHIP INTAKE

- Applications open: Once a year, usually in January, for about four weeks
- Internship dates: Early May to the end of August
- Areas: These change from year to year. Recent intakes were in Development and in Marketing & Sales.

WHO CAN APPLY

- Students in their 2nd year of university or later, studying real estate, business, marketing, urban planning, or a related field
- A strong interest in real estate
- Strong communication, teamwork, and organizational skills
- Good working knowledge of Microsoft Office (Word, Excel, PowerPoint)
- Experience using AI tools for research and analysis is an asset
- For Marketing & Sales: Adobe Suite experience is an asset
- Experience or coursework in development, marketing, or project management helps, but isn't required

HOW TO APPLY

When the intake is open, we'll post it on this page with a link to apply through our BambooHR careers page. Please apply through that posting only. We're unable to review applications sent by email or LinkedIn, and only selected candidates will be contacted.

We are not currently accepting internship applications. Please check back in January.
